Re: United States v. Greebel, S1 15 Cr. 637 (E.D.N.Y.) (KAM)

Dear Judge Matsumoto:

We respectfully submit this brief response to the government's July 18, 2018 letter. Dkt. 642. We have no objection to the government's requests for more time and/or a hearing. We complied with the Court's deadline. *See* May 11, 2018 Docket Entry ("In order to afford counsel additional time to collect letters and other materials in aid of sentencing, this [C]ourt grants Mr. Greebel one final adjournment of the 6/26/18 sentencing date to 8/9/18 at 11:00am. Counsel shall file a sentencing memoranda by 7/16/18 . . ."). We also complied with the E.D.N.Y. Local Rules on redactions. *See* Local Civil Rule 5.2, Committee Notes. The length of our submission is due to the overwhelming outpouring of public support for our client and his family. We submitted an analysis by Dr. Simone Gordon, who holds a Ph.D. in Social Welfare and is a clinical social worker, to provide the Court with information about the unique challenges confronting the Greebel family at this time.

Respectfully submitted,
